Student Introduction

Huemer Lukas

Master Mechanical Engineering · 3rd Semester

FH OÖ Wels

About Me

- **Background:** HTL Vöcklabruck

- **Experience:** low level C++ experience

- **Interests:** understanding of average programming porjekts, set up of basic programming projekts

Technical Skills

Programming

- **Comfortable with:**
- **Learning:** C++, Pyton

Engineering Tools

- Ansys, Matlab, Abaqus

Course Expectations

What I want to learn:

- Pyton average knowledge

- basic programming skills

- deeper understand and aplications

Data I work with:

- output data files of engineering tools and measurements

Questions & Goals

Questions:

- none

Goals:

- Pyton average knowledge

- basic programming skills

- deeper understand and aplications
  🚀Thank you! 🚀
